5 REASONS FOR FARMERS AND GROWERS TO DOWNLOAD THE APP

- 1 Get information and guidance on using labour providers and migrant labour.** Including freedom of movement and right to work in the UK; finding licensed labour providers; document verification and more.
- 2 Expert tips on the questions to ask your labour providers.** Including how they source and manage their workers; terms of employment, due diligence, worker welfare and health and safety.
- 3 Information for workers available in multiple languages.** Many seasonal workers come from abroad and may not be fluent in English. All the app content is available in seven languages in addition to English.
- 4 Signs of exploitation and labour abuse.** Learn about labour exploitation and the signs to look out for that could alert you that abuse may be happening.
- 5 Reporting abuse.** Any concerns or suspicions about labour providers or the treatment of workers can be reported through the app.

5 REASONS FOR SEASONAL WORKERS TO DOWNLOAD THE APP

- 1 Understand your UK worker rights.** Your rights explained - whether your work is short term or permanent your rights are protected by law when working in the UK.
- 2 What to expect from the agency or labour provider that helped you find work.** Learn about licensed labour providers who are legally allowed to provide workers to UK employers in agriculture and food production and what to expect from legitimate employment.
- 3 Available in multiple languages.** As well as English, all the information in the app is available in the following languages: Albanian, Bulgarian, Lithuanian, Romanian, Polish, Chinese (Mandarin) and Vietnamese.
- 4 Learn to spot the signs of exploitation and labour abuse.** Find out about labour exploitation and the signs that may indicate that you or a co-worker may be being exploited.
- 5 Simple, safe reporting.** If you are concerned or think labour exploitation is happening the app includes a simple, safe reporting tool.
